

# Palmerston North WASH STATION

## Speed Wash

Speed Washes are fast and economical! They're a great option when time is limited or when the vehicle is only lightly soiled.

**The TR Wash Station Team work through the following Speed Wash steps:**

- 1 Soap the vehicle in the wash bay.
- 2 The body of your vehicle will then be washed using our soft-touch brush wash gantry (any vehicle not suitable for the wash system will be soaked and pressure blasted by the wash team).
- 3 Water blast all soap from the vehicle.

 A minimum of 20 minutes

## Super Wash

The Super Truck Wash offers the same service as the Speed Truck Wash, except more attention will be focussed on the areas that really count - the wheels and cab!

**The TR Wash Station Team work through the following Super Truck Wash steps:**

- 1 Soap the vehicle in the wash bay.
- 2 Hand scrub the vehicle, focusing on the cab, wheels, tanks, guards, mud flaps.
- 3 The body of your vehicle will then be washed using our soft-touch brush wash gantry (any vehicle not suitable for the wash system will be soaked and pressure blasted by the wash team).
- 4 Blast all soap from the vehicle.

 A minimum of 30 minutes

## Deluxe Wash

TR's Deluxe Truck Wash will make your gear really shine and stand out on the road!

**The TR Wash Station Team work through the following Deluxe Truck Wash steps:**

- 1 Soap the vehicle in the wash bay.
- 2 Hand scrub the vehicle, focusing on the cab, wheels, tanks, guards, mud flaps.
- 3 The body of your vehicle will then be washed using our soft-touch brush wash gantry (any vehicle not suitable for the wash system will be hand-scrubbed, soaked and pressure blasted by the wash team).
- 4 Completely immerse the chassis in our Special Formula Chassis cleaner.
- 5 Pressure blast all soap and cleaning solutions from the vehicle.

 A minimum of 45 minutes
