Dear Pete,

I'm writing to thank you for your support earlier this year during Operation Ōtūmatua in the Port Hills, and Operation St Andrews in Loburn, carrying out fire relief operations in support of impacted communities.

In the Port Hills, the tipper truck you provided removed 18m³ of destroyed structure. In Loburn it removed 9.59 tonnes of debris, the vast majority of the destroyed home that we were working to clear.

While our volunteers did the lifting and shifting, it was your support that enabled us to have a real impact. In addition, the support of a brand as respected and prestigious as TR Group and the generous provision of modern, capable and safe vehicles made our veteran volunteers feel valued, made them feel that the work they did had meaning, and made them feel like they were worth supporting.

After each deployment we provide our volunteers with a custom patch to acknowledge their work. In this case, we've included patches for both Loburn and the Port Hills. Also enclosed is a Taskforce Kiwi patch, which is only issued to those who have deployed as part of our team, or who have offered critical assistance, as you have done.

Thank you again for your support, and I hope you and the TR Group team have a fantastic Christmas and New Year.

Ngā mihi nui,

Richard Adams
Founder & National Director
