Making heavy vehicle fleet management easy for you

Making heavy vehicle fleet management easy for you

Supporting your fleet safety, efficiency and compliance

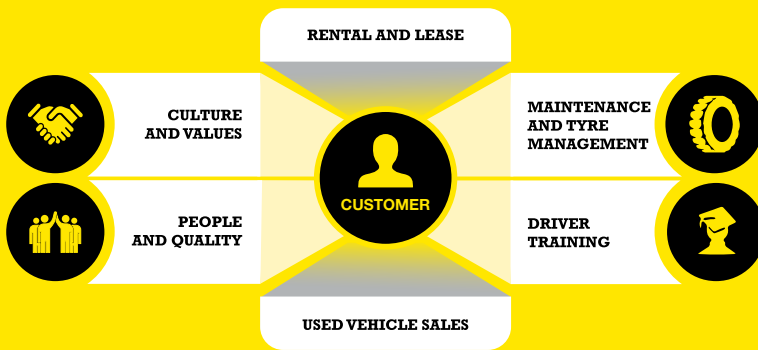

Ex lease and rental vehicles from our fleet to yours

# Delivering you the right vehicle from day one.

At TR Group, our sole focus is on understanding your needs and delivering you the right vehicle from day one.

That means you can be confident that whether it's Rental, Lease, Driver Training, or buying one of our ex rental or lease vehicles, we are working hard to make sure you are getting what you need, when you need it for your heavy commercial fleet.

## Rental

Renting a truck from TR Group is simple and easy. If you have a short to medium-term need then our rental fleet is there to maximise your efficiency and effectiveness.

### The Benefits of Renting with TR Group

- ▶ With over 90 categories and specifications, we will find a vehicle to suit your needs.
- ▶ You set the term of the commitment with no long-term obligation.
- ▶ The latest specification equipment with the lowest fuel consumption, class-leading tare weights, payloads, and safety features.
- ▶ Available nationwide and backed up 24/7/365.

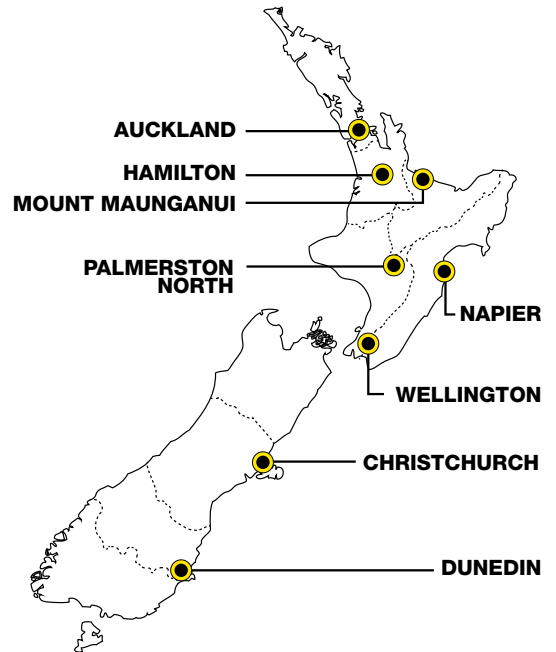

So whether you need a vehicle for a day or for a year, check out our full range here: [www.trgroup.co.nz](http://www.trgroup.co.nz)
